3. **Primary Care Center Kalapet (Timings: 9 am to 1 pm only) Chinna Kalapet**
   Contact Number 0413-2655134
   Vaccine: COVISHIELD (No charge)
The vaccine is free at government hospitals and the cost at private hospitals is Rs.250. Individuals who choose to get vaccinated can register directly online though the following link: https://selfregistration.cowin.gov.in/ and select the location of the facility or directly call the facility for spot registration in the case of a private hospital, but we cannot predict waiting times without prior registration.

A passport or some form of Indian identification such as an Aadhar card or Indian Driver’s license will need to be shown when you go for the vaccination. Also, there is an observation period of 15-30 minutes after receiving the vaccine, so this needs to be planned for.

In addition, both vaccines in India, Covishield and Covaxin are 2 dose vaccines, so people should inquire about the date when they should return for the second shot.

In case of further enquiry, you can write to Sante.Coordination@auroville.org.in.
