However, the Entry Board may decide not to give access to its minutes, after having obtained the opinion of the Working Committee, if it considers that that would adversely affect the interests of Auroville, an individual or the person concerned or if it is covered by a confidentiality agreement,
7. Will process feedback from the community based on the “Criteria Applicable to all Applicants” as defined in this Entry Policy,

**Term and removal of members of the Entry Board:**

The term and removal of members of the Entry Board will happen as described in the ratified version of the PWG document. Relevant paragraphs from the PWG (March 2016) document are copied here for quick reference:
TERM, MANDATE AND TURNOVER

• Members are selected for a period of 3 years unless the Working Group mandate states differently.

• Having completed 3 years, Members can be selected by nomination or self-nomination for a second term through open participation in the 3-Day Selection Process. After 2 terms there has to be a time lapse of 2 years before a Member can again nominate her/himself or be nominated for membership in the same working group.

• There will be a yearly selection process in November when approximately a third of the Members of a working group will be replaced. This will ensure continuity in the Working Groups with a system of staggered turnover.

• In the beginning of September together with the initiating of the yearly selection process, the working group informs the community via the Residents’ Assembly Service through News & Notes and Auronet which Members will be replaced and which skills are needed from the new-to-be Members.

• For Working Groups not yet acquainted with it the staggered membership process. It is proposed to keep on 2 Members from the earlier group for one year only. For the second year the shift can happen naturally by Members choosing to resign. If this is not the case, the working group team will make the decision, if needed in collaboration with the community through the Residents’ Assembly Service. After this period of transit, the staggering will take place naturally. (Some of the mandates of the Working Groups may have to be adjusted in order to function this way.)

RESIGNATION OF MEMBERS

• When a Member wants to resign during the term, s/he is requested to stay on until November and to make a proper handover of all her/his tasks. If this is not possible, the working group can ask a suitable individual from within the Resource Pool or the community at large to join as an interim solution and fill the role as a Member but without decision-making powers.

• The interim person will stay on till the yearly selection process in November and can, if so wished, nominate her/himself or be nominated for the selection process.

REMOVAL OF MEMBERS DURING THE TERM

To be Member of a working group implies effective participation, conscientious presence and teamwork. Members who are not executing their work as assigned by the group and/or turn out to be ill-matched with the team, can – after all attempts of integration have failed – be asked by the Working Group to step out. For specific tasks they can serve the Group as a Resource Person. In a case like this, it will to be announced in the monthly working group report and through the RAS in a transparent, open way.
**Decision-making and the Entry Board:**

1. A minimum of seven Entry Board members constitutes a quorum in order to arrive at a decision,

2. The Entry Board will involve the Mentors of the applicant, and the applicant, before arriving at a decision,

3. In the case that an applicant or Newcomer needs to leave Auroville (from 1 to 3 months at a time) for personal reasons, the Entry Board together with the Mentors will put the Newcomer process on hold. The duration of time that the Newcomer has been out will then be added to the Newcomer period upon the Newcomer’s return.

   3.1. In the case that an applicant is absent for more than 3 months, the Entry Board together with the Mentors may decide to either cancel his / her Newcomer process or choose to further extend it.

4. After a discussion with the applicant, the Entry Board, together with the Mentors, may decide that the applicant is better suited for another category / status to join Auroville and will recommend the same to the applicant. The Entry Secretariat will then guide the applicant through the relevant administrative process,

5. One member of the Entry Secretariat shall attend the Entry Board meetings, but shall not participate in its decisions,

---

**2. The Entry Secretariat**

The Entry Secretariat is the administrative body that performs the daily operations and is accountable to the Entry Board.

Charter of Auroville

Auroville belongs to nobody in particular.
Auroville belongs to humanity as a whole. But to live in Auroville, one must be a willing servitor of the Divine Consciousness.
Auroville will be the place of an unending education, of constant progress, and a youth that never ages.
Auroville wants to be the bridge between the past and the future. Taking advantage of all discoveries from without and from within, Auroville will boldly spring towards future realisations.
Auroville will be a site of material and spiritual researches for a living embodiment of an actual Human Unity.

A Dream

There should be somewhere on earth a place which no nation could claim as its own, where all human beings of goodwill who have a sincere aspiration could live freely as citizens of the world and obey one single authority, that of the supreme Truth; a place of peace, concord and harmony where all the fighting instincts of man would be used exclusively to conquer the causes of his sufferings and miseries, to surmount his weaknesses and ignorance, to triumph over his limitations and incapacities; a place where the needs of the spirit and the concern for progress would take precedence over the satisfaction of desires and passions, the search for pleasure and material enjoyment.

In this place, children would be able to grow and develop integrally without losing contact with their souls; education would be given not for passing examinations or obtaining certificates and posts but to enrich existing faculties and bring forth new ones.

In this place, titles and positions would be replaced by opportunities to serve and organise; the bodily needs of each one would be equally provided for, and intellectual, moral and spiritual superiority would be expressed in the general organisation not by an increase in the pleasures and powers of life but by increased duties and responsibilities.

Beauty in all its artistic forms, painting, sculpture, music, literature, would be equally accessible to all; the ability to share in the joy it brings would be limited only by the capacities of each one and not by social or financial position.
For in this ideal place money would no longer be the sovereign lord; individual worth would have a far greater importance than that of material wealth and social standing.

There, work would not be a way to earn one's living but a way to express oneself and to develop one’s capacities and possibilities while being of service to the community as a whole, which, for its own part, would provide for each individual’s subsistence and sphere of action. In short, it would be a place where human relationships, which are normally based almost exclusively on competition and strife, would be replaced by relationships of emulation in doing well, of collaboration and real brotherhood.

To be a True Aurovilian

The first necessity is the inner discovery by which one learns who one really is behind the social, moral, cultural, racial and hereditary appearances. At our inmost centre there is a free being, wide and knowing, who awaits our discovery and who ought to become the acting centre of our being and our life in Auroville.

One lives in Auroville in order to be free of moral and social conventions; but this liberty must not be a new slavery to the ego, its desires and its ambitions. The fulfilment of desires bars the route to the inner discovery which can only be attained in peace and the transparency of a perfect disinterestedness.

The Aurovilian must lose the proprietary sense of possession. For our passage in the material world, that which is indispensable to our life and to our action is put at our disposal according to the place we should occupy there. The more conscious our contact is with our inner being, the more exact are the means given.

Work, even manual work, is an indispensable thing for the inner discovery. If one does not work, if one does not inject his consciousness into matter, the latter will never develop.

To let one's consciousness organize a bit of matter by way of one's body is very good. To establish order around oneself, helps to bring order within oneself. One should organize life not according to outer, artificial rules, but according to an organized, inner consciousness, because if one allows life to drift without imposing the control of a higher consciousness, life becomes inexpressive and irresolute. It is to waste one's time in the sense that matter persists without a conscious utilization.

The whole earth must prepare itself for the advent of the new species, and Auroville wants to consciously work towards hastening that advent.

Little by little it will be revealed to us what this new species should be, and meanwhile the best measure to take is to consecrate oneself entirely to the Divine.

Agreement to be signed by all Applicants

Please note that the following text are not words of The Mother. This document is to be attached and used with all Admission Application Forms. This is an agreement to be signed by each applicant.

Values and principles guiding the collective life of Auroville

Auroville is an experiment, based on the ideals and vision of Sri Aurobindo and The Mother. Messages of The Mother about Auroville, such as “The Charter of Auroville”, “A Dream”, and “To be a True Aurovilian”, contain guiding steps towards the realisation of these ideals.

All forms of connecting with the Divine are recognised as means for personal growth.

The Mother stated: “Auroville is for those who want to do the Yoga of work”.

No particular religion or sectarian beliefs are encouraged. The propagation of any religious or sectarian beliefs is not in line with Auroville’s vision.

People living in Auroville are expected to contribute to the collective welfare in work, kind and/or money. Aurovilians should give their full time and energy to Auroville, ideally through the practice of Karma Yoga.

Auroville is a place for manifesting human unity. Any discrimination, social, political, geographical, economic or racial, is not acceptable.

Residents abstain from active involvement in Indian or international party politics.

Auroville is aspiring to be a universal cultural township and is subject to the laws of India. Residents abide by the laws of India. Auroville maintains a zero tolerance policy on illegal drugs.

All forms of violence are in contradiction to the ideals of Auroville. Physical violence and the threat of it are grounds for expulsion from the community.

Auroville is located in Tamil Nadu, which has a unique heritage. Residents need to respect its cultural values and avoid any form of disrespect towards local people and their customs, traditions and social order. The same respect is expected to be extended to the cultural values of all nations.

Non-ownership of immovable assets (land and buildings) in Auroville is a collective value of Auroville. Stewardship (or care-taking), of any Auroville property, does not imply ownership, and may be revised at any time.

All immovable assets in Auroville are owned by the Auroville Foundation, which holds them in trust for humanity as a whole. No resident of Auroville may acquire any immovable assets in Auroville. Ownership of any such asset in Auroville must be declared when joining Auroville.
Auroville is a self-governing community which aims to build collective prosperity for all its members, irrespective of the type of work one is engaged in. Everyone endeavours to build an economy based on generosity and sharing for the “city the Earth needs”.

Internal conflict resolution processes have been created to resolve conflicts arising between the members of the Auroville community with mutual respect and understanding. Residents agree only to involve an external agency after having exhausted the possibilities of conflict resolution based on Auroville internal processes.

By signing this document, anyone residing in Auroville agrees to the above.

I have read and agree to the above mentioned values and principles, and understand that to be an Aurovilian is to be part of a journey towards inner and collective growth.

ANNEX B - Aurovilian, and How to Apply

“To be convinced of the essential unity of mankind and the will to collaborate in the material realization of that unity.”

- The Mother (Refer to Annex A of this document)

Introduction:

This annex explains how one can apply to become an Aurovilian.

Depending on the applicant’s past experience of Auroville, there are four ways of applying to join Auroville as an Aurovilian:

1. From Newcomer to Aurovilian,
2. From Child of an Aurovilian to Aurovilian,
3. From Returning Aurovilian to Aurovilian,
4. From Employee to Aurovilian.
1. From Newcomer to Aurovilian

How does an applicant aspiring to join Auroville proceed?

It is important to note that an applicant has 2 phases before he/she is confirmed as an Aurovilian. This is a process that may take up to a year and half. It is the time when one integrates within the community and discovers whether one is willing to participate actively in the realisation of the goal of Auroville.

The names and purpose of the two phases are:

• Exploration Phase: a short period to ensure that the applicant has had some experience of Auroville before starting their admission process; (for example, one could have been a frequent visitor during the past year/s, a guest who has resided in Auroville for more than a few weeks at a time, or a volunteer residing in Auroville, who wishes to join Auroville as a permanent resident of Auroville).

• Newcomer Phase: to assure that the applicant experiences what it means to be part of Auroville as a committed and actively engaged resident of Auroville.

Described below is a step-by-step process that covers the two phases leading up to joining Auroville as an Aurovilian:

**Step 1 - Contacting the Entry Service office:**

1a. An applicant contacts the Entry Service office where the Entry Secretariat will register him /her to attend a Welcome Talk. The Welcome Talk is a first information talk;

1b. The applicant submits 2 support letters from Aurovilians (registered in the Register of Residents, Auroville Foundation) to the Entry Secretariat.

1c. The Entry Secretariat will register the applicant for an introduction and orientation programme (this programme is called the Yucca Programme). It is advised and required that an applicant attend this programme before the Newcomer process can begin;

1d. The Entry Secretariat will then provide the applicant with an Application Form; the applicant is to fill this form and mention his / her chosen Mentor;

1e. The Entry Secretariat will provide the applicant with a second Mentor after which the applicant and both Mentors will meet each other;

1f. After the above is completed, the Entry Secretariat will invite the applicant for a meeting with the Entry Board and the two Mentors.

**Step 2 – Meeting of Applicant, the Mentors and the Entry Board:**

2a. The applicant and the two Mentors will then meet with the Entry Board for an interaction;
2b. The applicant will be given a Letter of Recommendation for an Entry Visa for India (for foreign nationals). Foreign nationals will most likely be required to leave India and return to Auroville with an Entry Visa;

2c. The applicant will be announced as a potential Newcomer in the weekly bulletin called the News and Notes to inform the community and to seek its feedback for a 2-week period.

**Step 3 – Informing the community and taking their feedback:**

3a. The feedback will be received by the Entry Service. The Entry Board and the 2 Mentors will process this feedback, after which a decision will be made as to whether to confirm the applicant as a Newcomer or not. The Entry Board will keep the applicant informed and involved throughout this process;

3b. The applicant will be announced as a confirmed Newcomer, or in the case that his / her application has been declined, the applicant will be invited and given an explanation.

**Step 4 – Newcomer Period begins:**

4a. The Entry Secretariat will invite the confirmed Newcomer and provide him / her with the Newcomer Kit. A Newcomer Kit is a file with paperwork to be filled by the confirmed Newcomer;

4b. The applicant is to submit all relevant documents within the mentioned time-frame as described in the Newcomer Kit;

4c. During the Newcomer period (which is a minimum of 12 months and not exceeding 18 months), it is recommended that the Newcomer has regular meetings with his / her Mentors, and attend the Aspiration programme.

4d. If during the Newcomer period the Newcomer, or his / her Mentors and / or the Entry Board agree that the Newcomer is not ready to join Auroville as an Aurovilian, the Newcomer process will either be discontinued, extended or the Newcomer might be recommended for another more appropriate status.

**Please note:** during the Newcomer period it is essential that one finds 1) work and / or service and 2) accommodation, both, in Auroville. In case the Newcomer has to leave Auroville, it is essential to inform the Entry Secretariat, one’s Mentors and the Residents’ Service of the departure. In the case that an applicant or Newcomer needs to leave Auroville (from 1 to 3 months at a time) for personal reasons, the Entry Board together with the Mentors will put the Newcomer process on hold. The duration of time that the Newcomer has been out will then be added to the Newcomer period upon the Newcomer’s return.

In the case that an applicant is absent for more than 3 months, the Entry Board together with the Mentors may decide to either cancel his / her Newcomer process or choose to further extend it.
Step 5 – Newcomer Period comes to an end:

5a. At the end of the Newcomer period, the Entry Secretariat will request the Newcomer to update the information furnished in the Newcomer Kit;
5b. The two Mentors will be required to give their recommendation to the Entry Board; the Entry Secretariat may remind the Mentors of the same,
5c. After the updating of the information by the Newcomer and upon receiving the Mentors’ recommendation, the Entry Secretariat will invite the Newcomer, together with his/her Mentors to meet the Entry Board.

Step 6 - Informing the community and receiving their feedback:

6a. The Newcomer will then be announced as potential Aurovilian in the weekly bulletin, News and Notes, for feedback (over 4 weeks) from the community;
6b. The feedback will be received by the Entry Service. The Entry Board and the 2 Mentors will process this feedback, after which a decision will be made as to whether to confirm the Newcomer as an Aurovilian or not. The Entry Board will keep the applicant informed and involved throughout this process;
6c. The outcome:
   • If accepted, the Newcomer will be announced as a confirmed Aurovilian;
   • If declined, the Newcomer will be invited to meet the Entry Board where the Newcomer will be informed about the decision and why it was made. The individual will be given an opportunity to respond. The Newcomer may reapply to join as a Newcomer after a period of time stipulated by the Entry Board;
   • The Newcomer may also be recommended for another status better suitable for the Newcomer by the Entry Board.

Step 7 – Aurovilian: this ends the Newcomer process for someone applying to join Auroville as an Aurovilian

7a. The Entry Secretariat will invite the confirmed Aurovilian to sign the B-Form, thereby requesting the Secretary, Auroville Foundation, to include his / her name in the Register of Residents;
7b. The Aurovilian will now have the option to sign up for an auroville.org.in email id and an ID card.

2. From Child of Aurovilian to Aurovilian

How do children of Aurovilians wanting to join Auroville proceed?

1. The child of an Aurovilian, upon reaching the age of eighteen (18) and thereafter, contacts the Entry Service once he / she is ready to join as an Aurovilian. The Entry
Secretariat will provide the youth with an Application Form. The youth will be required to fill and submit this form.

2. If the youth has lived in Auroville for a minimum of five (5) years, immediately prior to submitting the Application Form, the Entry Board will decide to announce the applicant as Aurovilian to the community;

2.1. The Entry Board may recommend the youth to attend the Aspiration programme.

3. Subsequently, the young Aurovilian's name will be recommended to the Secretary to be entered in the Register of Residents, and he/she will be called to sign the B-Form, and meet the Secretary, Auroville Foundation,

4. The Aurovilian will now have an option to sign up for an auroville.org.in email id and an ID card.

**Please note:** A child of an Aurovilian, or former Student of Auroville (refer to Annex D), who applies to join as an Aurovilian and who has lived in Auroville for at least five (5) consecutive years at any time prior to the date of leaving Auroville can apply to join as an Aurovilian by following the Returning Aurovilian process (refer to section 3 of Annex B).

A child of an Aurovilian or former Student of Auroville (refer to Annex D), who applies to join as an Aurovilian and who has lived in Auroville for less than five (5) consecutive years at any time prior to the date of leaving Auroville can apply to join as an Aurovilian by following the Newcomer process (refer to section 1 of Annex B).

### 3. From Returning Aurovilian to Aurovilian

**How do former Aurovilians wanting to re-join Auroville proceed?**

1. A former Aurovilian who wishes to come back can apply to rejoin Auroville by contacting the Entry Service where the Entry Secretariat will provide him / her with an Application Form and guide the former Aurovilian through the administrative process as described here. This applies only to those who have stayed outside for a period shorter than the period of stay inside Auroville.
